Althea,
We should also include a WE CARE fact sheet on vermiculite products in Houston.
Thanks,
Ronnie

Subject: Issue Papers for RA visit to Austin

The RA is going to attend the TCEQ superconference and we need to pull together WE CARE issue papers for sites in Texas. These issue papers are due to Mike McCorkhill by Wed morning (7/22). The two sites I thought about are CES and CRI. There might be others.

Thanks,
Ronnie
